## SUMMARY

My name is Farouk Daadaa, a Computer Engineering student at ESPRIT with a passion for web, mobile and game development. Through various academic projects, I've gained valuable hands-on experience in software engineering. I'm seeking a six-month internship to further develop my skills and contribute to impactful projects. With a strong programming foundation and a proactive approach, I'm eager to bring innovative solutions to your team.

## PROJECT EXPERIENCE

### Artounsi 2024

- An art gallery mobile application showcasing and selling artwork. Built with Flutter and integrated with Firebase for secure backend functionality.

### Internship 2024

- Developed a centralized web application using Spring Boot and Angular to streamline event management for the Esprit Group's Job Fair, automating processes, enhancing communication, and improving user experience.

### CityScape Manager 2024

- Developed a multiplayer urban management simulation game using Unity, Maya, C#, Node.js, MongoDB, GitLab, and Mirror Multiplayer, incorporating SDGs: Good Health and Well-being (3), Gender Equality (5), Affordable and Clean Energy (7), Industry, Innovation, and Infrastructure (9), Responsible Consumption and Production (12), and Climate Action (13).

### PC Building Simulation 2023

- Developed a VR game for PC building and customization using Unity, Maya, C#, GitLab, and Meta Quest 2.

### PI DEV(Majesty) 2023

- Developed a multi-platform freelance application with desktop functionality using Java and JavaFX, a website with Symfony, PHP, HTML, and CSS, and a mobile app with Codename One.

### Desktop Application 2022

- Developed a desktop application using Qt, C++ and GitHub.

## EDUCATION

École Supérieure Privée D'Ingénierie Et De Technologies - ESPRIT 2020 – Present

Bachelor's degree in Computer Science 2019 – 2020

## ADDITIONAL INFORMATION

- **Technical Skills:** Programming Languages (C, C++, C#, Java, JavaScript, TypeScript, PHP), Web Development (HTML/CSS, Node.js, Symfony, Spring, Angular), Mobile Development (Flutter), Game Development (Unity, Unreal Engine), Database Management (MongoDB, SQL, FireBase), Version Control (Git/GitHub), Methodology(Scrum).
- **Soft Skills:** Communication, Problem Solving, Teamwork, Time Management, Adaptability.
- **Languages:** English, French, Arabic.
